with Cliff Austin
Friday, February 25, 2022

Learn how to paint landscapes with pastels in the Alla Prima style. Techniques for successful landscape paintings will be explored. The workshop will be structured around simplifying shape values and edges to development of expressive techniques. Workshop will include ongoing critiques, “how to” demos, and tutorials designed to develop each individual student’s natural way to paint.

Students will learn Notan and planning before putting brush to canvas from your photographs. All the “work” is planned before so the actual fun of painting can show results.
